

Chi-Miigwetch for your interest in volunteering with our Agency!

Volunteers strengthen the layers of support that ensure children, youth and families are surrounded by family, extended family, community, clan, and Nation to support healthy lifestyles and positive outcomes.

Volunteer drivers graciously provide their time and participate in a network dedicated to cultivating community wellness. Volunteer drivers directly impact the lives and well-being of those around them. Volunteers aid our Agency capacity, by building community resources, leading to more time for workers to focus on serving families directly.

Our Agency honours and values the contributions of all volunteers.

We provide the necessary training, guidance, and resources to facilitate support for our families.

Let's keep our children in our communities!

Child and Family Services

Volunteer Drive Program

Our Volunteer Drive Program enriches the lives of children, youth, and families participating in our services through means of connection via transportation or familial support within a culturally relevant framework.

Volunteers are provided with age/weight-appropriate child car seat(s) according to Ontario's Highway Traffic Act, CPR/First Aid training, orientation, and resources.

Volunteer drivers are reimbursed for costs associated with obtaining the required documentation to participate in the program.
